At Parade tomorrow we will present Reading Awards to students. The Behaviour Focus this week is BE RESPECTFUL – Transitions. Teachers will be speaking to their students about how children move from one activity to another and how they walk into class after lunch.

SCHOOL REVIEW – OPPORTUNITY TO HAVE YOUR SAY
The four Reviewers are visiting Cresso from today until Wednesday. If you would like an opportunity to meet with a Reviewer for a conversation there are still some spare timeslots on Tuesday from 3-3:30pm. Contact the Office if you are interested.

UNIFORMS
The Uniform Shop will resume opening on Thursdays from 8:30am. If you need an item urgently please speak with Rebecca Weeding, our Uniform Shop Convenor.

DETIAL UPDATES
Over the next few weeks, Miss Olive, our Administration Officer will be updating all student records. Parents and carers will be asked to confirm the details we have for your contact details, media releases and the students’ medical details.
In particular, we will be asking for **Asthma Management Plans** which parents should get from their family doctor or clinic. Any students with allergies will also need an **Allergy Management Plan** so that staff at school can assist children appropriately.

**VOLUNTEERS**
Mr Berryman has updated approximately 40 volunteers so far. If you are still interested in volunteering your time but haven’t done the training please let the Office know and Mr Berryman will be in touch.

Looking forward to seeing you at the P&C AGM on Monday!

**Resource Centre**
Borrowing from Our Library Collection
Everything is up and running for students to start borrowing from our collection. All students will require a library bag (no plastic bags) and loans are generally for a period of two weeks.

**Missing Books**
It's never too late to bring back any “found” books – we love seeing long lost books coming back in.

**Mornings in the Resource Centre**
We are open to students at first lunch from 11.20-11.40am. Students are welcome on the following days:
- Monday-Wednesday Year 4-6
- Thursday-Friday Year 1-3
Prep students will be able to access the Resource Centre at lunch times from Term 3.

**Cresso Reading Knights**
We are continuing our Cresso Reading Knights Program this year so I hope all our continuing students were reading over the vacation and have recorded the number of nights they were reading.

Replacement or new Cresso Reading Knights books can be requested through your classroom teacher or the Resource Centre.

Please remember that under the Reading Knights Program reading each night is important, not the number of books that you read. For example, a student could write the same book down on their Recording Sheet for multiple nights if they have read it over several nights. While it would be great if you read multiple books each night – you can only have one entry in your book for each night.

Congratulations to our first four students to reach Reading Knight status with 150 nights of reading: Jarryd, Joshua, Monique and Jai. These students received their new library bags on parade last week.

Miss Lynn
Head of Curriculum
**Rep Trials**

As notification of rep trials comes in, the following process will be followed: I will put a notice in the newsletter, children will be advised during PE lessons, and on parade, a flyer will be put on my noticeboard in the hall.

**Cross Country/Go’N’Run**

Cross country training will combine with Go’N’Run. Commencing Week 4 (next week), it will be held on Thursdays and Fridays from 8am. Please note the weather may change this.

**Quirky’s Quotes**

“Just when you thought you were winning the rat race, along came faster rats.”

Regards

Louise Quirk

**P&C News**

The first P&C meeting along with the AGM is on Monday 15th February at 3:20pm at the Resource Centre.

Please consider coming to the meeting and taking a part in the P&C this year. We will be looking to fill some of the executive roles. You don’t need any qualifications, just some spare time and organisational skills.

The P&C membership form is attached, you can complete it and return it to the Office by the 15th February, or bring it along to the meeting.

If you have any queries regarding the P&C, or executive roles, please give me a call.

Thank you

Paula

**CAN YOU HELP – BOARD GAMES REQUIRED**

Do you have board games you no longer play?

Hello, I am your school’s Guidance Officer, Katrina Wesser-Corrie. I am planning lunchtime activities to help students develop their social skills – eg: turn taking, waiting, encouraging others, playing fairly, listening to peers, and speaking kindly to one another.

I have a collection of board games and card games but need your help to build the collection of games suitable for our Cresso students.

If your family no longer plays particular board games and the games are in reasonable condition with all the playing pieces, the Cresso students and I would appreciate your donation.

**The Zones of Regulation™ Camp**

Does your child have difficulties with anxiety, anger or other big feelings?

Check out our Zones Camp. It might just be for you.

Jaime Parnell (Clinical Psychologist) and Kristy Stewart (Occupational Therapist) are collaborating to offer The Zones of Regulation Camp (Zones Camp).

Participants will learn how to identify their feelings/level of alertness, understand how their behavior impacts those around them, and learn what tools they can use to manage their feelings and states.

From the Zones of Regulation website:

- **The Red Zone** is used to describe extremely heightened states of alertness and intense emotions. A person may be elated or experiencing anger, rage, explosive behavior, devastation, or terror when in the Red Zone.

- **The Yellow Zone** is used to describe a heightened state of alertness and elevated emotions; however, one has some control when they are in the Yellow Zone. A person may be experiencing stress, frustration, anxiety, excitement, stillness, the wiggles, or nervousness when in the Yellow Zone.

- **The Green Zone** is used to describe a calm state of alertness. A person may be described as happy, focused, content, or ready to learn when in the Green Zone. This is the zone where optimal learning occurs.

- **The Blue Zone** is used to describe low states of alertness and down feelings, such as when one feels sad, tired, sick, or bored.

**When:** 5th-6th of March 2016

**Time:** 9am – 11am both days

**Where:** 6/130 East Street Rockhampton

**Target Group:** Children aged between 5-7 with high functioning ASD

**Cost:** $170 per child

To enrol in the program please contact Tameeka on 4914 0977.

A rebate is available through Medicare with a current mental health care plan specifying attendance at the group.
